

WHY REGGIO WORKS

Image of the Child

BY PROVIDING EXPERIENCES BASED ON THEIR INTERESTS, STUDENTS ARE MORE LIKELY TO ENJOY THEIR TIME AT SCHOOL.

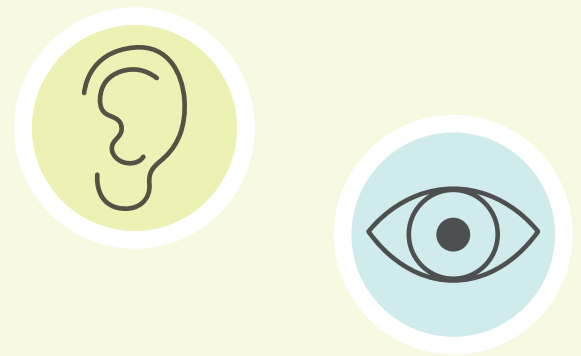

Our aim, in early education, is to make each child's first school experience positive.

Role of the Teacher

TEACHERS LISTEN TO THEIR STUDENTS AND OBSERVE THEIR LEARNING STYLES.

Using this information to educate children leads to longer spans of attention and the retention of more information.

Environments

NUMBERS, LETTERS, SHAPES AND COLORS ARE ALWAYS PRESENT IN OUR ENVIRONMENTS.

We enable student observations and explorations while providing contexts to use them naturally.

Community and Collaboration

WE VALUE GROUP WORK, DAILY ASSEMBLIES, PARTICIPATING IN DIFFERENT INITIATIVES IN THE COMMUNITY AND CAREFULLY MAINTAINING RELATIONSHIPS WITH FAMILIES, PEERS, AND TEACHERS.

Combining these meaningful facets leads to the balanced academic and emotional development of the child.
